Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Cute and educational without really teaching anything. This book asks the readers what THEY think. It invites the readers to use their imaginations and expand their vocabularies. A puppy named Shorty gets an online tour of a zoo s website and then takes a nap. She dreams about what she saw but of course she gets it all mixed up. Not just a zany picture book, this is a word game for children of all ages. There is an interactive website at where readers can submit their own ideas for the hybrid animal s names in the book. If Shorty thinks the name fits the rules, she will print that name along with the reader s first name and last initial on the website. Then she will email the reader a free printable picture of herself with a personalized, autographed thank you note. Not only that, but readers can also vote for their favorite animal and get an autographed picture of Shorty from a dream she had where she was a naughty little pirate puppy.
