BLACK AND BORN TO SUCCEED: JESUS IS THE ANSWER

XLIBRIS. Paperback. Book Condition: New. Paperback. 124 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. I have blood relative spanning one hundred years and in their best interest I believe my life experiences should be shared with the world. It is my belief that GOD does not wish the following issues to fade quietly into the night but to be brought brightly into the light. What concerns me is not the way things are, but the way people think things are. I filed discrimination claims with Equal Employment Opportunity Commission (EEOC) against the military defense contractor and EEOC as well as the Office of Federal Contracts Compliance (OFCC) claims against one of this nations leading higher education catholic universities and received (not unexpected) unfavorable federal court proceeding results from both agencies. My concerns are in the area of fair and equal (or the lack thereof) practice in employment opportunities for male Americans of African descent. I worked for two of the largest employers in area one a military defense contractor and the other higher education catholic university. Both employers release me during economical hard times (as lifes history has it Blacks were the last hired and the first fired) the first after (16) years of excellent services in 1993 for alleged reduction in workforce and the other after (10) years of excellent services for alleged performance issues in 2005. Where as in the case of EEOC the director and its leading attorney were both American of African decent, however in general the perceived notion is that both individuals would view this from an objective view point as an opportunity to potentially help correct past employment practices by employers that utilize government funds and discretely discriminate against various protected class minority employees. This activity continually go untested and while the disservices I experienced...
