Crow is on the way to becoming an international fashion designer. Jenny's been discovered by a Broadway composer. Edie still wants to go to Harvard. Nonie isn't really sure, but knows it's something fashion-related and wonderful. They're growing up and on the brink of glittering careers. So why are their lives so complicated? Why does success demand sacrifices, and which ones are they willing to make? In this, the final book of "The Threads trilogy", Nonie discovers that life is just beginning. The girls have choices to make. Who will wait for fame? Who will emerge an outright star? Who will fall in love? And who will turn her back on all her dreams? This time the answers are in New York. It's a long way for Nonie to travel, especially with only one teeny-weeny wheelie bag. But for the sake of her friendships, Nonie will do whatever it takes.
