

Handbook of Problems in Direct Fire (Classic Reprint)

By James M Ingalls

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Handbook of Problems in Direct Fire This book was prepared while the Author was engaged in teaching ballistics to student officers at the Artillery School, Fort Monroe; and most of the examples were selected from those which had been given out from time to time to the classes under his instruction, as exercises in the practical applications of the ballistic formulae which the more advanced students were required to deduce. It was suggested to the Author, by officers of high rank, that a collection of these and similar examples, in book form, would be of permanent value, not only to the Artillery, but also to the other branches of the service, both regular and militia. A very slight knowledge of mathematics is all that is required for the solution of the most important of the examples. It has come to the Author s knowledge that the first twelve problems have been taught successfully to non-commissioned officers whose whole stock of mathematics consisted of a little arithmetic and less algebra. In the later problems the symbol...
