Brand New Book ***** Print on Demand *****.In the tradition of Taoist philosophers and Zen masters, Steve Hoelt tells the stories he learned from his Toyota Production System (TPS) master teachers. Sometimes enigmatic, sometimes funny, but always powerful and enlightening, these stories of continuous improvement and Lean implementation are organized around the Toyota House framework. After covering historical and foundational aspects of TPS, the stories go on to illustrate a wealth of essential topics encompassing the timeless, unchanging principles of Just-In-Time, Built in Quality, and Respect for People, and delves into specifics on many tools like kanban, Quick Changeover, and A3 Problem Solving. It is far better taught by stories...
