Carcenet Press Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 214 x 132 mm. Language: English . Brand New Book. Gumiguru is the tenth month of the Shona calendar - a month of dryness and heat before the first rains fall and rejuvenate the land. Togara Muzanenhamo s second collection is a cycle of poems distilling the experiences of a decade into one calendar year, framed through the natural and agricultural landscapes of Zimbabwe. The book stands as both an elegy for the poet s father and a hymn to the veldt, the farms and villages, and the men and women whose lives are interwoven with the land and the changing seasons.
