WAR SURGERY 1914-18

Helion Company, United Kingdom, 2014. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. The Great War, 1914-1918 resulted in enormous numbers of casualties who had sustained filthy contaminated wounds from high explosive shellfire, bomb and mortar blast, and from rifle and machine gun bullet. Such wounds were frequently multiple, severe, and almost invariably became infected. Surgical experience from previous conflicts was of little value, and it became quickly apparent that early surgical intervention with...

Reviews

This publication is definitely worth buying. It can be loaded with wisdom and knowledge I am easily could possibly get a satisfaction of looking at a composed publication.

-- **Rhiannon Steuber**

Very helpful to all type of individuals. It really is rally interesting through looking at time. Its been designed in an extremely basic way which is just soon after i finished reading this pdf through which basically modified me, change the way i believe.

-- **Tyshawn Brekke**

The publication is easy in read through preferable to fully grasp. It is writter in simple phrases instead of hard to understand. You will not sense monotony at at any moment of your respective time (that's what catalogs are for concerning if you request me).
